**WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN MADRID, SPAIN,
TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear Children,

On this day, when the world remembers their loved ones who departed, leaving an indelible mark on the hearts of their families, I invite you to pray for all My children who lost their lives before the appointed time, through wars and conflicts.

How many families, in this moment, are divided and fragmented by the painful departure of those who left the material world! But, remember that I am here, on this day, to console those who have not yet managed to overcome the trauma of the painful departure of a loved one.

Remember, My beloved ones, that your Heavenly Mother witnessed firsthand the condemnation, scourging and death of Her Son on the Cross and that, although I felt Myself dying together with My Son, I had to give strength and shelter to those around Me.

Today, in the face of a violent humanity, helpless and without empathy for one other, I come as the Mother of Consolation and Peace to lead My children to the Love of God, so that even those who, for some reason, are dead in spirit may one day, like the prodigal son, resurrect and be reborn through the power of forgiveness and redemption.

Today, My Mother's Heart opens as a humble and pure Tabernacle so that each child, still on Earth, in Heaven or in some other plane of consciousness, may rediscover the path of the Unfathomable Light of God.

I am here, I am your Mother, the Consoling Mother of the afflicted.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
