DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

While souls pilgrimage within the Marian Centers, they comfort the Heart of God and relieve the wounds that human indifference causes in the depth of this Sacred Heart.

The souls that peregrinate at the Marian Centers are also restorative because they are not only healing and repairing their own being and spirit, but they are healing and repairing human consciousness, so often distant from the Heart of the Father.

To peregrinate to the Marian Centers is like walking to the House of the Lord, climbing the steps to His Celestial Church and being before His Divine Altar, to live redemption and thus open the doors for others to also be able to live it.

In these times of chaos and of indifference in the world, the Heart of God finds His encouragement and joy in the souls that peregrinate to the Marian Centers, because, in spite of their lives and responsibilities, they recognize the importance and urgency to create a real bond with God within their interior.

This world, children, needs restorative souls that peregrinate to the Marian Centers not only to find Peace, but also to open the Fountain of Peace to the world.

The souls that peregrinate to the Marian Centers are also seeding beings because, like birds of light, they seek the seeds of the new life in the Source and take them to their homes, cities, nations, fertilizing this principle of newness in the human consciousness.

The pilgrims who arrive in the Marian Centers receive from the Father His Grace and bring it to multiply in the world, wherever they are.

The importance of peregrinating to the Marian Center is still unknown to many, because the mysteries that are kept as spiritual treasures in the inner counterpart of the Marian Centers have not yet been revealed to the human beings.

Happy are those who pilgrimage to the Marian Centers because they become instruments of the Lord and bearers of the new life over the Earth, even though they do not know it.

Today, children, I thank you for being pilgrims and for having come to the Marian Centers in search of peace.

Joyous are those who receive with love and shelter in their hearts, the Love of the Hierarchy. Multiply what you have received. Be peace-makers in this world.

Your Father and Friend,

The Most Chaste Saint Joseph
