Message for the Apparition of April 13, 2013, in the city of Lavras, Minas Gerais, Brazil, transmitted by the Mother of God to the visionary Friar Elías

My dear children:

Today My maternal Heart returns to your lives to encourage you to go forward in the consecration of your hearts to My Immaculate Heart. Today the Sacred Heart of Jesus gathers you around His loyal Server, the Virgin Mary, so that many children confirm themselves as soldiers of the Light.

My children, today Heaven congregates souls and hearts that should be willing to walk in God for the souls that do not walk in God, to sacrifice themselves for the souls that do not give themselves to the Father and to love the souls that do not love God.

As the Angel of Peace once did, before My coming to Fatima during the last century, the Angels of the Lord prepare today, together with the Guardian Angels, the awaited return of the Lady of Heaven, every month.

My maternal voice announced itself for the first time in Fatima on May 13, 1917. Now My Message returns stronger and more precise in this time because My children must awaken to the call of conversion.

On this day, the angels of the Kingdom of Fatima will descend with the same resplendent consciousnesses of Light that, together with the Immaculate Heart, redeemed all humanity through purity and prayer.

Today I invite you to enter into the Kingdom of Fatima, the Angelical Kingdom that was manifested when My Heart announced itself in Fatima to the world, with the purpose of peace reaching the entire Earth.

Dear children, for this reason, I ask that in your hearts you protect with love all the Marian Centers that were founded by the Virgin Mary, the Queen of Heaven. As in each Marian Center, in the Marian Center of Fatima, the Angelical Kingdom of Fatima will fulfill an important task in the salvation of the essences of humanity.

The Marian Center of Fatima will spiritually rescue souls so that in the culminating moments they may be led towards the Light. The Marian Centers are not only Sanctuaries of devotion, but also celestial points where God, through the Mother of Heaven, sowed Light for the world.

See that through the Kingdom of Fatima you will be able to awaken the purity of the soul and of the heart. See that in the Kingdom of Fatima your paths will be able to be straightened and the wisdom of the angels will be able to lead your steps.

In the Kingdom of Fatima, My Immaculate Heart was able to reunite through prayer all the souls of the world and so that, once more, peace expanded through each corner of the Earth.

Dear children, remembering this day of April 13, My arrival at Fatima on May 13, 1917, I invite you to gestate within your hearts a profound love for the Kingdom of Fatima, in this way allowing for the Guardian Angels to lead you through the safe roads of the spiritual path.

See the greatness of My Marian Work through the Marian Centers and be partakers, together with Me, of the Kingdom of Peace.

I want more of My children to be able to find the path towards God through each of the Marian Centers and you, the pilgrims, should be the guardians of the Portals of Light that My Heart opened in each Center of devotion through prayer.

May the Kingdom of Fatima awaken My Virginal Purity in your essences and may you discover the angelical presence by your side.

I thank all My children for responding to My call!

Who loves and blesses you,

Your Mother Mary, Queen of Peace and Lady of the Holy Rosary
