DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF BAD VÖSLAU, AUSTRIA TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

At the time of Mercy the most inveterate faults are forgiven, because whenever a praying soul on the surface of the Earth invokes the Divine Mercy, they grant themselves the forgiveness they need in order to enter a new stage, as well as granting Mercy to those who are more distant from God.

At the time of Mercy, justice cannot act, nor can a higher power may intervene, for the authority is absolutely granted to the Divine Mercy. Thus, souls can submerge into that Source so that their sins may be dissolved and they may be washed by the repairing Ocean of the Heart of the Lord.

Therefore, those who invoke Mercy, in spite of the spiritual condition they may be experiencing, must know that they will first receive atonement and forgiveness, as many times as necessary, until they manage to generate merits for their souls and for their spirit.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
