DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

The forgiveness of the heart will take you back to the origin of My Divine Mercy.

For this today I ask you: return to the inner forgiveness because it will give you the opportunity of merging yourselves with the wise love of My Heart. Trace now the path towards forgiveness because in this trail you shall discover the keys to the conversion and the redemption of matter.

May the good brethren of the path be united and be never separated from the source of My Love, that which unites you totally. I want that you be able to recognize the truth in this time, it will reveal to you the path towards the encounter with God.

Live now and always in the flame of the spirit of faith. In this way you will be able to cross the dark thresholds that may separate you from My Heart. I Am the Fire that never goes out, that illuminates the path for your essences and lives. Whoever is with Me will be able to follow the trail that I indicate for this cycle.

Live in the unwavering faith of the heart.

Under the Light of God, be blessed.

Thank you for listening to My Words with the heart!
