**MESSAGE FOR THE SPECIAL APPARITION IN THE CITY OF SÃO JOSÉ DO RIO PRETO, SÃO PAULO, BRAZIL, TRANSMITTED BY THE MOST HOLY VIRGIN MARY, THE MYSTICAL ROSE TO THE VISIONARY FRIAR ELÍAS**

Today a Great Celestial Rose descends from Heaven and lands lovingly over the city of Sao Jose do Rio Preto; this sublime rose is the expression of the Immaculate Love of the Celestial Mother.

By means of the Mystical Rose the children will understand the mysteries and the paths towards the Eternal Father, and these paths will be reopened to those who have closed them. Seek in yourselves the mystical rose of the heart; contemplate in your beings the true essence, that which from the beginning comes from the Source of God. In this way you will recognize your true spiritual identity between Heaven and Earth, because the Divine Angels of the Throne will help you to find the one and only path of return, which will bring you to eternity. This will be possible through your prayers.

The three mystical roses that I carry over My Immaculate Heart aspire to reveal to the world the three principles and attributes that will help in the conversion of humanity and in its forgiveness, forgiveness for all the faults committed before the Father of Love.

The Supreme Truth is the Mystical Rose that will reveal to you the path to follow, a path free of obstacles and interferences.

The Mystical Rose of Pure Love is the conductor of your hearts and it is that which will permit you to see, above all things, the Love of God.

The Mystical Rose of Prayer is the one that constructs and restores that which was damaged in the interior of each being. The Mystical Rose of Prayer is that which opens the new doors and in consequence profoundly heals the life of each soul that is united to this divine mystery.

The three mystical roses of My Heart are shown before your eyes so that you may perceive that the moment to change something in this world has come, and especially so that all My children become collaborators of the Great Plan.

Your Lady of the Mystical Rose today presents Herself before the world and especially before this blessed city of Sao Jose do Rio Preto, with the spiritual and divine end to awaken all those who have been asleep for a long time to the life of the consciousness and of the Supreme Truth.

The Lord has asked Me to call you all because there exists a great need of prayer for this world; if all gave this answer, the entire humanity from North to South and from East to West would reach a time more of peace.

The Lady of the Mystical Rose wants to bring Her children to the precious encounter with Jesus; if many rekindle the love that they have lost for Christ, the Infinite Mercy will dissolve the universal doubts that humanity has generated, and an opportunity of inner healing could arise in the hearts and minds most closed to conversion and redemption.

The Holy Angels from Heaven take part in all of this Redeeming Work, and silently collaborate through the Love of God, so that the world is not immersed in obscurity.

For this, dearest children, it is time to form yourselves as victorious soldiers of light and of prayer. In your daily prayers you will find the consolation that no one upon this world can give you, because to be in prayer is to remain in the plenitude of the Peace of the Lord.

Prayer will definitively be the key that will redeem the Earth.

Beloved children of Sao Jose do Rio Preto:

Today I come from Heaven to call you to walk in a safe way by the path of consecration of all your hearts to My Immaculate Heart.

From now on, your lives and your city can count on the loving intercession of the Most Chaste Heart of Saint Joseph so that in this way the new family of peace and good may arise in the end of the times, the family that will reflect the same principles as the Sacred Family of Nazareth.

Dear children: many are the aspirations of My Heart including that you may take the steps. The Lord on this day, by means of My presence, sends you His Love and His Grace for all those present.

Thank you Sao Jose do Rio Preto for opening to Me the door of the trusting heart!

I thank you and I bless you,

Holy Mary, Mystical Rose
