DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF FLORIANOPOLIS, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Through My Presence, God brings you His Infinite Compassion, which, approaching the Earth, will try to rescue the souls of humanity from the abysses.

Divine Compassion is capable of forgiving what is most difficult, just as it is also capable of helping maintain an absolute balance during the times of rivalries.

It is for this reason that Divine Compassion leads to the awakening of pure neutrality.

In this time, Divine Compassion will try to place souls on the path that they once lost, for different reasons.

Divine Compassion will create an inner space, within the state of eternal light, where the soul will be placed in order to find relief for its errors and purifications.

Divine Compassion brings us hope and renewal, indispensable attributes for the healing of all humankind.

May Divine Compassion guard and protect everyone so that, being in it, all may drink from the Fount of God's Love.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
