**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Son:

Do not seek the path of perfection outside of yourself; it is present in your inner universe.

The path of perfection is achieved through permanent service, spontaneous donation, an unbreakable and unalterable unity with God. Seek this path of perfection through your essence, which knows how to find it.

Perfection is not vainglory. Perfection is not self-realization. Perfection lacks prestige and recognition.

Perfection is in you, because God made Himself humble and small so that His creatures could know it.

Christ Himself is the model of humble and disinterested perfection for all souls.

Perfection does not flaunt benefits, advantages, or prizes.

Perfection is full of the sacrifice and renunciation that hearts can live every day.

Perfection is not suffering, is not abandonment, is not pain.

Perfection has its own science and its own autonomy, because it is part of one of the Gifts of God.

Perfection is not recognition nor is it a guarantee.

Perfection is an emptiness of self and the absolute surrender of everything; it is to allow oneself to be where one should be, without wanting or aspiring anything else for oneself.

Thus, perfection as a path is humility, is reverence, is a support of the brave, and encouragement for the oppressed.

Perfection walks hand in hand with love, because true love always wins. Love never loses nor does it worry. That is why love is perfect, because it is simple. Love is unconditional and this makes it perfect, but not proud.

Perfection is faith.

I thank you for responding to My call!

Who blesses you,

Your mother Mary, Rose of Peace
