DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Your prayer is heard in Heaven and it is valued by the Lord.

If prayer were realized with sincere effort and dedication, its results would be even greater.

Prayer is neutral, peaceful and unchangable. It becomes potent through the heart that pronounces it with fervor.

Prayer is a protection against all adversity and against all danger.

Through prayer the souls find the path of Light, and it attracts from the Universe all the attributes of God.

To live in prayer is like being under the rain, because prayer pours out many graces and acts like a balm of forgiveness in the hearts that adopt it as an instrument of elevation for the consciousness.

Prayer is capable of stopping a natural disaster as well as reconstructing the spiritual field of a situation or being.

If prayer were truly taken into consideration, it would not allow the personal action of governments or the crises to be established within nations.

Through prayer souls find a special refuge in the Heart of God and in prayer the consciousness is protected in these critical times.

The powers of prayer have not yet been discovered by humanity.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
