WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN DORNES, FERREIRA DO ZEZE, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

On this day of Mercy, may your deepest prayers keep being elevated to Heaven so that the world and, above all, the nations that are most oppressed and chastised by war and conflicts may recover peace, because no human being is capable of living without peace, as peace is to be in contact with God and the universe.

My children, on this day of merciful prayer, I call upon you to pray for those places in the world where there is no peace and where chaos reigns, because, as the Queen of Peace, I need, through your prayers, to reach the spaces in this world where hundreds of My children suffer hopelessness and lack of love.

Just as, in this month of August, you will be able to feel the Heart of My Son, I would like many more children to feel My Heart, and your true prayers are the bridge that will allow Me to find My most suffering and desperate children.

For this reason, My beloveds, recognize the Rays of My Grace, the Grace that, being inexhaustible and justifiable before God, has been filling you for more than fifteen years.

It is My wish that My Graces, the Graces granted to My Maternal Heart, may reach all, especially those who have condemned themselves to hell.

I am thankful to you in advance for the bravery and effort that you might dedicate to Me through the prayer of the heart, because prayer must permeate the world.

I thank you for responding to My call.

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
