Daily Message of Mary, Rose of Peace, transmitted on the Eagle of Light bus during the journey from the Marian Center of Aurora, Paysandu, Uruguay, to the city of Buenos Aires, Argentina, to the visionary Friar Elías del Sagrado Corazón

Feel within your hands the warmth of My Immaculate Heart, which transmits and radiates the Gifts of the Holy Spirit.

Feel within your hands the pulsation of My Heart, and contemplate it in devotion.

Feel within your hands the Light of My Immaculate Heart, a Light that is poured out over the world for each soul on Earth.

Feel within your hands the fire of My Heart, and observe how much it still shines in offering to the Celestial Father for each of His children.

Feel within your hands the Love of My Immaculate Heart, and pour it out with gratitude over your brothers and sisters of the path.

Feel within your hands the humility of My Immaculate Heart, and adore the poverty with which it has saved the world during the incarnation of the Son of God.

Feel within your hands the pain of My Heart, from which, for each word of prayer, a thorn is removed.

Feel within your hands the roses of My Immaculate Heart, which open to emanate the subtle scents of Creation.

Feel within your hands the purity of My Heart, which ignites and reflects like a universal mirror of redemption.

Feel within your hands the kindness of My Immaculate Heart, a kindness that intercedes for you all the time so that you finally wake up.

Feel the rejoicing of My Immaculate Heart, so that you may open and discover that the Plan of God is perfect.

Upon your chest, embrace the splendor of the Love of My Immaculate Heart, for in this way, I will help you to overcome the fears and manifest the apostleship of the New Christs.

In your soul feel the Grace of My Heart, so that it may transform and purify all your past, and in this way, you become a teraphim on the altars of the Creator.

Carry My Light to the world and unite with My Heart, which today is between your hands to offer you conversion.

I thank you for responding to My call!

In spiritual maternity,

Your Mother Mary, Rose of Peace
