THIRTY-SECOND CHRISTIC IMPULSE FOR LENT, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FR. ELIAS OF THE SACRED HEART OF JESUS

Forty days with Jesus along the Lent path

"Finding yourself in the desert, divested of yourself, walk barefoot in the spiritual solitude that it gives you the Grace of uniting in consciousness to the Whole, so that you may be part of the legions of servers and blessed ones on Earth.

Therefore, undo the ties of the sandals of your feet and walk free from yourself, free from all hatred, manipulation, rejection, indifference and disobedience.

Surrender to the sacred inner emptiness and your own resistances will no longer be a reason for so many lamentations.

The Chalice of offering is before you. The Steward Angel sustains it not only so that you may contemplate it, but also so that you may decidedly drink from it without knowing the significance of what it truly means.

Surrender! Surrender, just as the Lord surrendered on behalf of everyone, during the dark night of the Garden of Gethsemane."
