DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED AT Lake Siskiyou, Mount Shasta, CALIFORNIA, UNITED STATES, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The Light of the Return will come from the heights of the White Mountain, and the Americas will be blessed by a Grace of liberation and peace.

That Light will then descend from the White Mountain, but it will remain within it for three days until the majority of people will have seen it and recognized it.

They will give it many names and causes, but only a few will recognize what it is.

Nobody will be able to draw close to that Light, because it will be so strong that it will dazzle the curious and the opponents.

It will bring Grace and wellbeing to the oppressed and many, indeed many will recognize their infidelity to God too late.

Those who repent in time will be touched by the Grace and wisdom of that Light, and everything will begin again.

Nobody will be able to hide that Light which will come from the Mountain, for it will not be material, although everybody will see it with their physical eyes, it will be a more impactful and revealing Light than the Star of Bethlehem. It will shine more than the Sacred Mantle of the Virgin of Guadalupe. It will have more power than all nations, which believe themselves to be powerful.

That Light will come for the just, for those who asked for Mercy, for the unfortunate, for those who cry out for peace and freedom.

And, at last, that Light will descend, and everything will be revealed. The White Mountain will be the witness of this entire occurrence.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
