MESSAGE FOR THE APPARITION OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

More than 102 years ago, on July 13, 1917, in Fatima, I revealed to the little shepherds the third unknown secret. Now, continuing with this revelation given, and still not totally known by humanity, I come on this day to reveal what you are ready to know.

For this reason, My children, your Heavenly Mother arrives with the impulse that you can know and embrace, with all the strength of your hearts, that which the Universe and its infinite life represents.

The time has come for humanity of the surface to no longer remain only with the vision of its nation, continent or planet. It is time to, by means of prayer and of faith, be able to expand its consciousness so that there are no mental borders, but rather knowledge, reverence and devotion for the unknown; for all that is in the dwellings of the Heavens, and that which cannot be controlled nor manipulated by anyone.

In Fatima, the little shepherds reached these revelations, besides the third secret they received, because the Angel of Peace prepared them for this period in which, through the Most Holy Mother, they would be before the magnitude of God and of all of His Universe. All this was possible due to the spontaneous degree of purity that they lived.

Now, dear children, it is time to take the leap to the knowledge of the Universe and to access the reality that no human technology has attained throughout the history of the Earth. Because, in truth, the infinite knowledge of the Universe is revealed to the humble in heart and to the simple in consciousness. In them there is no ambition of power nor of control, in any sense.

This was, My children, what the little shepherds of Fatima lived, but the moment has come for the Celestial Hierarchy to expand this opportunity to all of those who aspire to postulate themselves as humble servers of God.

This will help, on the Surface of the Earth, for there to be consciousnesses that may be instruments, that may propagate devotion to the Eternal Father and then, thus, there may exist more gratitude and reverence in compensation for all the mistakes that humanity of today makes, separating themselves from the Divine Truth for its own means and ways of life.

Thus, My children, on this day, through the Apparition, I, as your Mother and intercessor, will place you before this Grace, that your hearts may grow in faith and love for the knowledge of the Heights, of the Universe and thus, Christic Love may be present in humanity.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
