DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE LOCALITY OF LOS COCOS, CORDOBA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My dear singers:

Today I implore you, from My Maternal Immaculate Heart, to unite your voices of love to all the voices of My dear and suffering children of Syria, so that, in this inner and special union, the cessation of the wars and conflicts may be established and there may exist a time of peace.

In order for the poor families of Syria to have the Grace and the opportunity to rebuild their lives, offer this meeting of music with all the sincerity of your hearts; and remember, children, that each song and each piece that will be offered today will be lovingly dedicated to all those who suffer the conflicts and the very harsh wars of this time.

While My Face is covered with tears for those who suffer persecutions and death, together with you, dear children, on this gala night, I will implore the Father and My Son, for a time of peace.

I will be by your side to precious accompany each moment. Do not forget, children, that everything you offer will help in the redemption and conversion of humanity.

Through tonight's meeting of music, I will take to Heaven the innocent souls that were beheaded for just proclaiming their faith in My Son.

Know that the evil that is generated will defeat itself, it cannot triumph; because evil has no love or forgiveness.

I ask you today to be a single voice, that you can express the gratitude of being able to serve God in this time and, above all, the gratitude of being able to feel Him, of receiving His Graces daily, so that your lives may be confirmed in the apostolate.

I will be attentive to the offerings of My children, because as Mother of the persecuted I only wish, with ardor in My Heart, to bring relief to those who suffer and do not find a way out of wars.

I will thank you for your sincerity, knowing that after all and as difficult as is, My Immaculate Heart will triumph.

I thank you, children, for answering My call!

Who blesses you in this night of praise,

Your Mother Mary, Rose of Peace
