**DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE CITY OF DUSSELDORF, GERMANY,
TO THE VISIONARY SISTER LUCÍA DE JESÚS**

May each instant of your life be a mission offered to the Creator. Find in each event an opportunity to serve, renounce, love, understand, so that the Christic principles may flood your acts and be installed within your consciousness and thus, child, enter into the depths of human consciousness, there where thoughts, feelings and actions are generated.

Understand each moment as the right moment to be offered as an instrument to the Father and, even if it is to those who are next to you every day, be a source of peace, of grace, of healing, through which the Rays, that come from God in help of humanity and all life upon the Earth, can flow.

Remind your consciousness of its purpose in this world. You already know that you have come to the world to live a Greater Law which restores life and the evolution of all creatures of God.

In your smallest actions, imprint this purpose of peace. Thus, child, you will be in God and He will be within you.

Your Father and Friend,

The Most Chaste Saint Joseph
