MESSAGE FOR THE APPARITION OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Just as in My Heart I had welcomed each apostle and disciple of My Son, each new soul that awakened to the Eternal Covenant, between God and men, thus children, I invite you to receive those who are awakening in these times.

My Heart of Mother and Protector, not only of the message and of the mission of My Son, but also of those who were listening to it and who were awakening through it, comes to welcome in these times all the hearts that surrender before God.

Regardless of your past in this world and beyond, My Heart contemplates your truth, the essence that you are, part of the Living God and the Origin to which you must return.

In this time, in which souls will not find meaning and encouragement in things of the world, I invite you to contemplate each heart as I used to contemplate those who were awakening through the living Presence of Christ on Earth.

Among pagans and saints in spirit, among devotees and the worldly, all of them were touched and washed by the Love of God, through Christ, to return to His Heart. Time has passed, My children, and many of these souls that had sealed a commitment with Christ have gone astray. But the time has come for them to return to His Heart; the time has come for them to take in their hands the torch that illuminates the world and announces the return of the Redeemer to the Earth.

Therefore, while receiving the souls that are arriving and are awakening, little by little, do not look at your past and your sins, but be the examples of love yourselves, that which they will need in order to consolidate their awakening and endure the transformation of their lives.

It is time to welcome and unite what is separated, it is time for the cells of God to return to His Heart. And this will occur, My children, not only with you, but with all souls that left the Divine Founts with the mission of renewing and re-creating the Creation of the Most High God.

Embrace with love the part that is up to you to do, and learn to welcome your neighbor with your heart. This will also make you grow and will also bring you closer to God, as it must be.

Together, you will return to the Origin of Life.

I bless you and thank you for imitating My example of Mother and Guardian of souls.

Your Mother Mary, Rose of Peace
