DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Dear companions and servers of Christ,

Today I invite you to understand the importance of immediately uniting with the Purpose of God and, as soldiers of His Army of Light, to be ready to surrender your own plans and aspirations so that the One Plan, the Plan of God, may be accomplished, which is for the good and for the salvation of all humanity and the whole planet.

In these times, my dear ones, the whole universe assembles in each instant, through its representatives, so as to guide the beloved humanity in the best way.

It is in this way that impulses of light, redemption and reconciliation descend to the world that many times, hearts would not be worthy to receive, but that through the intercession of the Divine Messengers, together with the true praying soldiers of the Earth, are bringing new possibilities for the beings of this world.

Some time ago, the probability that God held for humanity was about the awakening of a few, that would be the seeds for a new future. Now, thanks to the power of prayer, this probability is increasing. Thus, other brothers and sisters of yours, who would not awake in time, will be receiving the possibility of recognizing their origin and thus, at least partly fulfil their own mission.

At each turn in the spiral of evolution, human beings surprise the universe, and now the task of the Divine Messengers finds the space to expand and reveal to hearts what they came to do in this world, thus awakening their potential to love and forgive the past that tied them to an involutive chain.

I know that many will not understand My words immediately, but hold them in your hearts, because those who do not understand them today will see the coming of their own awakening, and then yes, they will finally understand them.

I tell you all of this at this time so that you can adhere to the changes in the Plans of God, which are permanent, because humanity is unpredictable in the eyes of the Creator. In these times, when no soul must be lost from the true path, the Lord is giving everything for the manifestation of His beloved project of healing and of universal redemption through human beings.

I love you and I ask you once again to only keep My words in your hearts; even though not understanding them, your hearts will receive the impulses that come from them, to one day be able to understand them.

Peace and redemption for all.

Your father and instructor,

The Most Chaste Saint Joseph
