Daily Message received in the Marian Center of Aurora, Paysandu, Uruguay, transmitted by Mary, Rose of Peace, to the visionary Friar Elías del Sagrado Corazón de Jesús

Dear child,

Let your heart never cease to trust in the fulfillment of the Plan of God because, above any imperfection or error, it is by the Will of the Eternal Father that His Divine Purpose may be manifested.

As Mother of My children, I know that sometimes it is difficult to believe or accept that something completely nonmaterial and divine will be accomplished in a place full of errors or of failures. But I remind you, My child, that God is merciful and infinitely compassionate with all His creatures.

Therefore, never cease to trust in the fulfillment of the Plan of God, beyond those who may participate, or not, in the concretization of this divine and unfathomable aspiration.

Walk with your gaze fixed on this goal, on this purpose, and do not worry about what others will do with the opportunities they are given.

Fulfill your part the best that you can and offer it for those who no longer do it or for those who are tepid toward the Plan of God. Because, in this way, My child, many more unrepentant hearts will repent and will become aware of the reality in this final time.

Trust. Trust, because everything will be well.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
