Weekly Message transmitted by the Virgin Mary, Rose of Peace in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón de Jesús

Dear children,

Behold the Sacred Lady of the Portal, who opens the spaces of the consciousness so that Divine Science may descend into it.

Behold the Sacred Lady of the Portal, who in this time shows all Her children the pathway of return to the Heart of God.

Behold the Sacred Lady of the Portal, who guides and leads prayerful hearts towards a definitive meeting with their inner origin.

Behold the Sacred Lady of the Portal, who in this time shows the signs of the Return of Christ to all servers of the Redeemer.

Behold the Sacred Lady of the Portal, who intercedes between the Earth and Heaven for impossible causes and situations.

Behold the Sacred Lady of the Portal, who brings to everyone the blessed flow of Celestial Grace so that you may be cleansed of your faults and be reborn as redeemed instruments, placed in offering at the Feet of the Celestial Father.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
