DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF MONTERREY, STATE OF NUEVO LEON, MEXICO, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

On the eve of the great meeting of prayer in San Francisco, California, your Heavenly Mother is preparing to go into a nation where many things will be deactivated so that they do not affect the souls that reside there.

It is in this way that, through each prayerful soul, your Mother of Heaven will aid and help consciousnesses so that they may abandon the illusion and the abysses in which many have placed themselves.

In this way, some deeply sleeping souls will awaken, to then become part of My Marian armies of Light.

Thus, each effort that will be made will be indispensable in support of the spiritual benefit for all those who, for decades, have been waiting to find the path of Light.

Now that My feet will step firmly upon this nation, your Heavenly Mother will be entrusting certain angelic armies to accompany and to guard each step that consciousnesses will take after having received spiritual redemption, repercussions that, perhaps, will be seen in the next existence.

For this reason, each positive action that may be carried out in the United States will have a greater impact in the face of all that is not positive and that has been implemented in the nation.

What is real will be to take consciousnesses into the Love of the Father so that they may regain a deeper filiation.

For this reason, your Heavenly Mother prepares Herself to carry out a mission that nobody will be able to stop, since the seas in this cycle will be calmed and what Heaven will carry out will not be perceived.

I thank you for responding to My call.

Who blesses you,

Your Mother Mary, Rose of Peace
