DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

Blessed be those who pacify the souls in My Name by means of the Divine Mercy because at this time occurs the great miracle of love.

For this go with Me to the encounter of the pilgrim and of the solitary because at this moment My Light will come to the aid of those most in need of My Spirit of Light. I ask you that in this journey My Apostles be the living testimonial of conversion and of redemption because, if it were like this, the path to be travelled would be open and those who that need Me would listen to the love from your words.

In this time the flocks will be regrouped so that they may be conducted towards the stable of the single and true Shepherd. But now it is necessary to go and seek the sheep that are forgotten or that are hurt by the old incomprehensions of life. It is time to unite and not to separate.

It is time, for those who claim to be with Me, to recuperate the most injured sheep or those that are most separated from My Path, because, in the end My Divine Mercy is for all without preferences and without partiality.

My Pure Love defeats error. My Pure Love opens new doors and new opportunities for those who in trust are surrendered to Me every day. It has come the time to reunite those who are lost as souls and those who must, before the new cycle, be in My Sacred Redeeming Heart.

Under the Light of the Father, be blessed.

Thank you for being in My Eternal Heart!

Christ Jesus
