DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Brothers and sisters,

Come to My Temple of Light. The bells are already ringing. The time of the offering is approaching. Prepare your oil lamps, because the Higher Priest will come. Put on the consecration garments. May the daughters of the Highest cover their heads with the veil of consecration.

It is time to enter the Temple and for the lower priests to sing the hymns of the final consummation.

Prepare yourselves, the bells of the Great Temple are now calling, and their sound resonates within all inner worlds, in all souls, in all hearts.

The Lord of the Universe is descending under the power of the Glory of God. Meanwhile, may your hearts feel the sacred suspense of the Great Moment, in which the doors of Heaven will open to conduct souls toward the Kingdom of the Lord.

But within the memory of those of Mine, will remain the remembrance of the Passion of the Lord. Thus, the believers and devotees will prostrate, head on the floor, when they hear from the sky the roar of light of the arrival of the Lord.

Everything will renew itself again. Everything will have the grace of being able to do penitence.

The bells are ringing. The Sacred Week is approaching, and you are invited to commune with this important meeting.

Awaken.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Jesus Christ
