Daily Message of the Virgin Mary, Rose of Peace, transmitted in the city of São Paulo, Brazil, to the visionary Friar Elías del Sagrado Corazón de Jesús

While the doors of Lys-Fatima slowly open to give the great impulse to humanity, let your hearts and lives prepare in awareness, love and faith to receive the impulse which will be given by your Celestial Mother to all Her children of the world.

Today once again, Heaven will descend to Earth, to a planet with wounds, hurt by your actions and darkened by your errors.

In this way, if each child of Mine should give the best of themselves on May 13, I assure you that something very serious could be reversed overnight.

With resolve, bravery and courage, I invite you, dear children, to overcome your inner limitations, so that something truly changes in the conscious level and the inner self of this current humanity.

I will especially be united with the Holy Father; thus, I ask you to be inwardly united with Him, as a member of the Church that must be healed, restored and redeemed.

I thank you for responding to My call!

Who blesses and prepares you,

Your Mother, the Virgin Mary, Rose of Peace
