Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

After Jesus entered Jerusalem, the Father sent hundreds of angels to serve His Firstborn so that they would accompany Him during His entry into the Temple, the place where Our Lord would demonstrate to humanity the level of consciousness and precariousness in which it found itself.

It was the Purpose of our Eternal Father that Jesus count on the strength and the power of hundreds of angels to knock down the old spiritual structures of human consciousnesses, which manifested through commerce and businesses.

When Jesus entered the Temple and saw that the House of His Celestial Father was surrounded by low and mundane energies, His Heart gave the order to expel all the materialistic idols that were venerated.

The Son of the Father wished to declare to everybody the existence of the One God, the God of Love.

With the entry of Jesus into the Temple of Jerusalem, My beloved Son knew that, from that moment, He would be repudiated for having taken away the materialistic and ambitious life from the House of His Father and for having expelled all those who, through the Temple, took advantage and were unfaithful.

That day, the Lord already knew that His hour was approaching; meanwhile, the holy women were in Jerusalem waiting for the great event after the Last Supper of the Lord.

In dreams to those simple of heart, the angels were announcing that the defeat of the kingdom of darkness was near because the Firstborn would give His Holy Life for the absolute liberation of humanity.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
