DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE HOUSE OF MARY, ROSE OF PEACE, SAO JOSE NEIGHBORHOOD, CARMO DA CACHOEIRA, MG, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

My dear children,

For the Grace that God has granted Me and in the name of the Love of My Son, with joy I come to this house in order to bless it through the Holy Spirit of God.

After the important mission to Africa, one of My seven sorrows has been relieved, because as a Mother I find hearts like yours, willing to serve Me in charity and good.

In this way, I find armies truly formed by the Heart of Christ. I would like to see more armies of light like yours, attentive to the request from Heaven and open to answer before any major need.

It was in this way that one of My seven deep sorrows was spiritually relieved through the immediate action of your donation to the Plan of My Son. From Kibeho I sheltered each one of the missionaries and I took them to the Universe of My Heart so that they could feel the faith of My Immaculate Spirit.

It was through the sacred mission to Africa that new doors opened themselves to the spiritual redemption for the conversion of the souls of the world. I was through this mission that internal paths opened themselves to start new missions, those that will take you to other distant nations of Africa.

For this, My children, may your internal fire never extinguish in spite of the adversity that many will face in the upcoming times. May My burning fire be your praying fire of devotion and faith, in this way you will always win, you will lose nothing and you will always receive everything you need because in obedience to the Heart of Christ you will be answering to the Will of God.

On this holy day in which your Mother meets with Her children in the house of the immediate and selfless donation, I wish to consecrate the feminine missionary house with the imposition of My hands over you, giving it the name of House of Mary, Rose of Peace, so that together with Saint Joseph, your steps will always be guided in love and unity.

Today I came to thank you and bless you. It deeply pleased Me that you have prepared the house to receive Me.

I thank you for answering to My call!

Who unites you to the Universal Heart of God,

Your Mother Mary, Rose of Peace
