DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Vigil in prayer so that your heart is willing to embrace the mysteries of the Celestial Kingdom as never before experienced by humanity.

Vigil in prayer so that your consciousness may know how to recognize the visible signs of the Presence of God, and It may transform you inside and out.

Vigil in prayer so that, with an empty heart, you may be able to receive all the divine gifts that, as a last impulse, are being delivered to humanity. Let these gifts become life, becoming fruit within you, that which will take you to participate in a new Earth, a new time.

Vigil in prayer so that the many traps of the enemy do not confuse you and do not make you perish before you reach within yourself the renewal of the Love of God.

Just pray, child, and vigil in prayer, because the time has come for the definition of each being, and every instant must be a moment for you to confirm your vows with God.

Vigil in prayer and do not allow it to be you who becomes taken off of the path.

Vigil in prayer to know how to ask for help in the right moment, to know how to cry out to God for His Grace.

Vigil in prayer to see when the other needs you, even in silence.

Vigil in prayer, to understand that your life, as small as it may seem, can transform other lives, when you know how to be an instrument of God.

You have My blessing for this.

The Most Chaste Saint Joseph
