DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE COMMUNE OF CASTEL VOLTURNO, CAMPANIA, ITALY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I do not come to seek desires or expectations, miseries or errors in you. I come to seek your heart so that, under any circumstances or in any situation, it may be with Me, regardless of results or consequences.

I know that you are a being on the surface of the Earth wounded and hurt by all humanity. For this reason I understand and accept you as you are, and I hope that My acceptance serves as a consolation and encouragement for you so that you continue to transform, so that the world may also transform and achieve redemption.

In your noble heart lies the truth about what you always were and what you will be, because the truth of your being is spiritual and not human. Thus, continue to perfect yourself daily for Me, so that I may make you a participant in My designs and My treasures.

If you trip again and again on the same stone, be thankful, because you will be receiving the chance to be more humble and of recognizing your miseries for those who do not recognize theirs, nor want to see them.

Be glad, everything will pass, and if you obey Me as up until now, you will be what I so wish for.

I love you.

I thank you for keeping My words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
