DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE TRIP FROM THE CITY OF MEXICO, MEXICO, TO SAN FRANCISCO, CALIFORNIA, UNITED STATES, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

Enter this North American nation with humble hearts so that you may be free of everything and the souls who live here may find the union with God in their inner beings.

My wish is to pour out as much Mercy as possible in order to help and protect the consciousnesses that will greatly need the Grace of God.

Therefore, I invite you to burn profoundly in prayer with the purpose of attracting to this city the essence of peace.

In this way, dear children, I will give you inner strength for humility to awake within you.

It will be important to sow peace in all planes of consciousness. Thus, dear children, My Immaculate Heart will triumph.

I thank you for responding to My call.

Who loves you and protects you,

Your Mother Mary, Rose of Peace
