DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED during the journey from the city of Niagara on the Lake to MONTREAL, CANADA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Montreal will be the second headquarter in Canada of the redeeming Work of Christ, which is present in South America.

Montreal is an important door for the service to immigrants, an opening to specific work with the spiritual instruction through them. This possibility presents itself through an inner opening of those who are there.

Therefore, Montreal represents this second stage in which the Spiritual Hierarchy can work and help the other part of the colonies of immigrants who are there and, as a consequence, they will be able to help, from a distance, their nations of origin to which most citizens of Montreal belong.

In the same way, the city of Quebec has other possibilities for the work of the Hierarchy to develop.

In this sense and for all of this to be possible, after the bases are established by your Master and Lord Himself, through the impulse of pilgrimage, the doors can be kept open for the coming events, those which will benefit the country spiritually.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Jesus Christ
