MESSAGE FOR THE SPECIAL APPARITION OF MARY, ROSE OF PEACE, during the journey from Archamps, Haute-Savoie, France, to Munich, Germany, TO THE VISIONARY SISTER LUCÍA DE JESÚS

To God it does not matter that your lives are imperfect, but rather that your hearts are always truthful; thus you will allow Him to work and act, and someday, My children, without you noticing, your lives will be transformed.

At this time when everything is being purified, take refuge in the Heart of the Father, in the Sacred Temple of inner prayer, so that nothing and no one may deviate you from the path of My Son.

If some souls are being tested at this moment, may they not feel intimidated; may they know that, above all reality and situation, the Celestial Father is present, patient and very kind, always awaiting for them so that, through His Divine and Infinite Mercy, everything may be healed.

When souls in this time cannot experience the divine Plan or adhere to it, it is because they are not approaching the Source of Mercy, a place where all doubt will vanish and any conflict will cease.

Sometimes the correct step must be taken towards God and not towards your own concepts or feelings.

Mercy will always lead you to understanding and forgiveness.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
