WEEKLY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF BRASILIA, FEDERAL DISTRICT, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Today, I come from the heart of the Universe to assist and rescue My children of humanity and the Kingdoms of Nature. We are upon a world in ruins and on fire, with a humanity consumed by illusion and indifference.

I come today to attend to various situations of the planet, because within the Armageddon, the human race is not responding to the times of emergency.

For this reason, I come to cry out for awareness and promptitude, because your home, which is this planet, has need of the help and love from all human beings so that the exploitation, the trafficking, the excessive consumption and the massive destruction of the Younger Kingdoms may be reversed, beyond the interests that a small number of people have, which bring about global poverty.

This is the time in which certain powers that the human being believes they have will fall apart, in the same way that a mountain comes down. Nothing will remain in the place believed to be its position. The Hierarchy will intervene so that injustice ends and those who live off of the slave labor of all humanity will be removed.

Humanity cannot imagine the arrival of this moment. Thus, we must pray, pray and pray, so that Justice may be gentle in all its intercepts. Be aware of this and accompany the Hierarchy.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
