DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED BY THE LAGOON GUATAVITA, CUNDINAMARCA, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

At three thousand four hundred meters in altitude, in the surroundings of the sacred lagoon of Guatavita, a civilization previous to the current one existed that knew the essence of contact.

This contact reflected in love and reverence for the sacred, which made of that civilization a spiritually advanced humanity.

But, at that time, the cosmology and the deep knowledge of nature of that native people made it similar to other humanities that also live and evolve in other parts of the Solar System.

But the intuitive and inner development that this original people of Guatavita achieved kept it united with Superior Laws, until before the colonizing white man made the worst and greatest error, which was not only the extraction of the mineral resources, but also the plan to have the deepest traditions disappear in order to implant Christianity.

In that sense, the white man of that time used the image of God and of Christ so as to gain the most retrograde benefits that were ever known.

But the memory of this experience of love for the sacred is held, as a spiritual treasure, within the most inaccessible spaces of Lake Guatavita.

Now, humankind of the surface was helped so that it does not continue to make mistakes in its evolution, and at the same time, the treasures have become nonmaterial so that they may emanate their rays of love and wisdom, not only to the region of Guatavita, but also to all those who visit this Sacred Enclosure and imperatively need redemption.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
