WEEKLY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE BUS EAGLE OF LIGHT, DURING THE TRIP BETWEEN THE MARIAN CENTER OF FIGUEIRA AND THE CITY OF SAO PAULO, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Pray so that the Plan of God is fulfilled; contemplating, in the universe, the perfect purpose that the Creator has for each one of His Creatures.

Reuniting with the Divine Messengers and being in the presence of the Eternal Father, through the Door of Light and Peace that we open to the world, means recovering the purity and the potential of love that was given to the creatures in the beginning of all and that, one day, in the hearts of many, was lost.

The task of the Divine Messengers in this time is more profound and, sometimes, incomprehensible and invisible to the human mind, because the definitive moment for the planet has come when the evolution of all will be defined according to the answers you give to the opportunities you receive.

Many open themselves from the heart, even if only for a tiny moment, and this is enough so that the seed of a new being can be sowed within them. There lies the eternal hope of God and of His Messengers: knowing that, despite such numbness in humanity, there is also the possibility of awakening and this awakening happens in a simpler way than what you imagine.

The Divine Messengers are heading towards Central America so that those who have lost their bond with God can recover it. May those who have committed themselves with the manifestation of His Plan in the beginning be able to fulfill it. May those who must become new Christs and who walk behind the Lord, in this and in all times, be able to remember their mission.

There are missionaries spread around the whole world and the time has come to call them by their names, one by one, so that they may fulfill their mission.

New potential Christs will awaken in this time: consciousnesses that will live love and unity with God beyond themselves; that will love their neighbor and that will give their lives, sincerely, for their friends; consciousnesses that will share the bread with Christ and that will join you at this table to share the Chalice of sacrifice and surrender to God and thus make the plan of the enemy disintegrate and the souls no longer lose themselves from God.

I warn you of these events and I thank you for praying so that this Plan is fulfilled.

The Most Chaste Saint Joseph
