DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Listen within your heart to the sweet Voice of the Mother of God, the celestial melody that in your chest lights the Fire of the Love of Christ.

In silence, listen to Her warm words and feel how within you the Peace of the Divine Mother can resound.

Withdraw into the deepest core of your inner temple and find the Queen of Heaven governing your consciousness and your life, making you a participant in Her consoling and divine Love.

Receive the presence of the Highest through the Holy Mother.

Commune of the humility and simplicity of the Mother of Heaven.

Make your heart like that of the Divine Mother, in feeling and poverty, so that your soul may receive the gifts coming from the Grace of God.

Open the deepest core of your temple so that the Mercy of the Divine Mother may work.

Feel Her Love near you.

Feel Her maternal caress and dissolve any bitterness.

Let the breath of the Holy Spirit reach your life and perform wonders for these times.

In your heart listen to the sweet Voice of the Mother of God.

It is time to experience reconciliation.

It is time to ask for peace.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
