DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

On this day, receive My maternal embrace, just as Jesus received it since He was a child, until He became an adult and died on the Cross for all.

Receive My maternal embrace, My child, so that you may feel the Love of God beyond everything, so that blame, pain and despair may be dissolved from your heart.

Receive My maternal embrace so that you may be within the trust of God and be able to take the steps toward His Kingdom of light and of hope.

Receive My maternal embrace so that you may feel that you are not alone in this difficult moment, and that the containment of the universe will support you until, on your own, you may walk only in the direction of the encounter with My Son.

Receive My maternal embrace for this last time, remaining in the task of the Messages of the Mother of God so that, through My embrace, you may always remember the wonder of the Love and the Mercy of My Son, something that will always lead you toward God.

Receive My maternal embrace with all the affection of a good and sacrificial Mother Who protects and cares for Her little ones, so that they may always be safe under the divine protection of the Creator.

Receive My maternal embrace, because the end of this time is now arriving and you need to be fortified in order to face it and to live it according to how the universe expects it.

Receive My maternal embrace so that you may know that I will always be there to support you.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
