DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF LA CUMBRE, CORDOBA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Companions,

Many of My followers in South America and in the world would like to hear the word of the Hierarchy concerning that which our dear and subjected Amazon region is going through.

This is proof of the indifference of human beings and of the unconsciousness of those who take advantage of Creation and of the great regions of the planet that are exploited for the benefit of few and the poverty of the majority.

Humankind itself will realize too late all that it has transgressed and all that it has lost.

Therefore, what happens today in the Amazon region is an answer to the uncontrolled corruption and the excessive and sick exploitation of those who govern the nations, as well as a harsh consequence for those who have elected them.

In summary, all that the Amazon region is going through is not a punishment from God, it is a responsibility of the same humanity that believes to be powerful before the lower Kingdoms and the elements.

Yet, while humanity continues hurting the Amazon, the world shall know, even more, the fury and the indignation of the Kingdoms of Nature because the Law, which is stable and secure, cannot be transgressed.

Therefore, the groups of prayer must place the entire situation of the Amazon on another level of consciousness and not remain in the coordinate of judgments and of commentaries, for this strengthens the harassments of the adversary in the minds of the governors, in which he works in a hidden way.

Ask the Heavenly Father for only His Will to be fulfilled and do not hesitate even for a moment. Put your faith in the Lord and all shall pass.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
