MESSAGE FOR THE APPARITION OF THE BLESSED VIRGIN MARY, MOTHER OF GOD, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, BRAZIL TO THE VISIONARY SISTER LUCÍA

My children,

The key to conversion is the true sacrifice you can live within your hearts; sacrifice made with love, with the effort driven by the soul and manifested in life.

Dear children, in Heaven, we measure the degree of faithfulness by the degree of sincerity. Each action must be true. Even if your hearts do not feel the joy of sacrifice, if it is carried out with sincerity and love, it is accepted in the Heavens as a source of conversion for souls.

I see a soul that accompanies Me when I see a heart willing to abandon itself before Christ.

In the joy of the brave hearts, My children, I find a refuge of peace. In the steps taken from the heart, I find the impulse to be before God, day by day, to intervene for the world. I only seek to find, within your hearts, a breath to give to the souls that permanently suffer. Each time that you are able to overcome the difficulties of life, a small light is generated and driven to My Heart.

I do not come seeking perfection, but rather the constant effort, the sincere will, nourished by the love for the Plans of God.

Dear children, many have told you about the time in which you live; now, My Words must become life, action, and peace in each of your beings. They must be true laborers of Mercy. And this is achieved with the will of the heart.

I see many of My children with lowered arms before the battle even begins. I see many of My soldiers dropping the shield of persistence, allowing the enemy to strike them.

Resist, My children, resist. Nourish the heart and the spirit with the peace of My Presence and reignite the joy of living in self-giving to the Most Holy God.

My Heart comes to take each one of My children by the hands, to tell you, as a Mother and Companion, that here I am, whenever you want to see Me.

I am your Mother. I am the one who brings the Spirit of God engraved on the chest to give it to humanity. I am the one who constantly prays for your awakening and definitive conversion. I am the one who sustains those who have already said yes so that they can rise after each fall. I am the one who is always here, together with your hearts, so that I can help you grow and mature under the guidance of God the Father and towards His Son.

Do not be afraid to listen to Me, nor to respond to My call. I only ask you to not lose the love and joy that I once deposited within your hearts. Do not distance yourselves from God.

I come to guide and lead you always.

Mary, Mother of the Divine Conception of the Trinity
