DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED DURING THE JOURNEY FROM THE Marian Center of Aurora, Paysandu, Uruguay, to the CITY OF BUENOS AIRES, ARGENTINA, TO THE VISIONARY SISTER LUCÍA DE JESÚS

The time has come to respond to the call of God; a call that invites you to meet the spiritual and physical needs of this planet in redemption.

The time has come to listen to the Voice of God, which strongly resonates in the hearts that have already awakened.

From His Word will come the strength to move on. From His Love will come the help for renewal each day in the fulfilling of His Plan. From His desert, but also from His Kingdom, will come the experiences that will forge an unbreakable fortitude in those who walk.

Thus, listen to the Voice of God within you and follow His call. There will be no other cycle, there will be no other time.

There is only a great need, children, of being in the correct place and carrying out the responsibilities that your Celestial Father gave you from the beginning of humanity.

The tests are intensified, but the Graces are also multiplied. Know how to take the Gifts of God so that they may be the foundation under your feet, and carry on in prayer, in communion and in surrender.

You have My blessing for this.

The Most Chaste Saint Joseph
