WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FÁTIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

The healing of humanity will be achieved when souls truly forgive, without resentment or guilt. These non-evolutionary feelings are that which stop the descent of the Law of Healing in humanity.

For this long-awaited healing to take place in the consciousness, it is necessary to forgive and to then reconcile.

Bad feelings also obstruct the performance of the Law of Healing. Therefore, seek to have a humble and pure heart so that, through you, the planet can also be healed of its spiritual illness.

At this time, the cause of so many illnesses is the lack of union with the current of healing due to a profound disconnection from the life of the essence of each being. This promotes not only an emptiness that sooner or later turns into depression, but also into illness of the body.

Therefore, may the healing of this humanity be in the joy of serving others, in fraternity with the fellow being and even with the outraged Kingdoms of Nature, which are a pure unknown emanation of the Law of Healing.

Learn to heal yourselves internally, in reconciliation, so that the long-awaited healing may take place in body, in soul and in spirit.

Seek to heal what you have not yet forgiven, seek to love that which you still reject, for in the end only healing love will triumph, beyond forms and beliefs.

The technique is not the path to healing, but the love with which we give ourselves to others, because in giving, lies the liberation of being.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
