DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

These are now My last Words within the great cycle of daily messages.

I only hope that just souls avail themselves of all these impulses so that, upon going through the tribulations of these times, they may always know how to find the way out toward the spiritual Light of the Divine Father.

The Hierarchy has said a lot during these last few years.

You were placed before true and sacred Knowledge of the Brotherhood, but you were also placed before the opportunity for your inner beings to be completely within the service of love and redemption of humanity.

In each one of My Words lies the help that each one needs to transform and continue to transform every day.

Thus, I invite you to value the sacred Instruction and take it into practice so that you do not run the risk of only having heard it and nothing more.

Consciously live the impulse of love that the Hierarchy brings you, the opportunity to convert all the beliefs of your consciousnesses, and the Grace of becoming free of the ties that imprison you. This is the reason for so much instruction.

Be what the whole Universe expects and testify that, through the work of the Holy Spirit, everything will be accomplished and concretized as has been foreseen. Just make the correct effort.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
