**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

*Only find refuge in the House of God.
Only wait for the coming of My Son with joy.
Only await in prayer to find peace.*

Dear children,

Today I call you to revere God, the Great Creator of the Universe. Each new day must be a praise to the Lord because in this way your lives will be partakers of His Law of Love and Forgiveness.

My children forget the Eternal Father. Today I remind you that you must always return to the Universe elevated, as souls, through prayer. Wait with joy for the coming of the Messenger of God, the King of the Redeeming Love, My Glorified Son, because while waiting, you are opening your hearts for the new that comes from Jesus.

Revere the Creator as a Path of Consecration of your lives to the Will of the Father. Know, My children, that in each act of reverence you will be praising God and in this way you will form part of the harmony that the world needs and has lost because it forgot to praise the Creator.

Today I invite you to remember this act of reverence because it will lead you to live in the devotion of the heart, a pathway that opens to the encounter with faith.

Dear children, if humanity loved God the Creator, the plans would already be different. As a Mediator, I want to make you discover His Love in each one of your hearts. It is time to recognize that without Jesus, you will not be able to see the path clearly. Jesus is the vision that, as Light, illuminates life in order to redeem it. And for this to happen, it is important to pray with the heart.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
