DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The spiritual and interior healing shall be the means by which humanity will be redeemed.

But, in order to be able to find the healing, there must be true repentance and purity of intention; on the contrary, the healing will not be able to approach the consciousness that still has not been redeemed.

A true coexistence with the Laws and with the Kingdoms, in all their expressions, grants the arrival of that so awaited spiritual healing; healing that will fill the spirit and each part of the being so that the consciousness, free of oppression, may take the steps towards the Lord.

This is the time to return to the origin and to the essence that created us so that the sense of the sacred and of reverence may be what elevates the consciousness so that it reaches the inner transcendence.

I thank You for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace.
