### **DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Thank you for responding to My call for peace and for the conversion of the hearts that each day distance themselves from the Love of the Creator.

My children, do you really know why you are My dear children?

Because I want to teach you to love no matter what the circumstance.

Because I want to open your Inner Temple to the Glory of God.

Because I want you to open your eyes to the Light of God.

Because I want to erase conflict and lack of peace in all My children.

Because I want you to pray with Me and to remember how important it is to unite to one another in prayer.

Because I want to recognize your hearts as I recognize, as Mother, the Heart of My Son.

Because I want the souls to be one, as My Son and I are one with God.

You are My dear children because Jesus entrusted your path to Me from the beginning.

Because I want the world to be a Kingdom of Peace.

You are My dear children so that you may learn to forgive, to reconcile and to live in the Love of God.

Because I need your sincere response in prayer as in the communion with Christ.

Because I want to consecrate your lives so that humanity may be consecrated.

Because I want you to be humility in life to quench the thirst of those that are alone.

You are My dear children because I want you to live in Peace, because in Peace you will always find Light and shelter in the Heart of God.

Because it is necessary to liberate the causes of the past to be born under the Light of the new.

Because I want you to be in God.

Because I want you to live as souls and to let go of all control.

You are My dear children because I want to reveal to you the only truth, the truth of love, which

will lead you to be able to forgive and thus reconcile your hearts.

Dear children, all My intentions are united by means of prayer; it is the path that will lead you towards the Truth and the Life that Jesus represents.

You are My dear children because I love you as hearts and as essences, because God observes the beauty that He created in you through the power of His Love.

My children, when you are empty, God will fill you with His Eternal Love and your faith will become as strong as iron. Nothing will prevent your life from being joy, even in the arduous tests.

When you are in God nothing will separate you from Him because there, Jesus, His Kind Heart, and My Maternal Heart will be with you illuminating for you the path towards Eternity.

Open your Inner Temple to the Great Heart of God and you will be perpetually in His Trust.

I am here today because you have prayed with Me, and this Grace has descended through My Maternal Arrival in each one of your lives.

Be brave and never stop the pulse of love in your hearts.

I am celestially thankful for your inner pilgrimage!

Joy for your day.

Mary, Mother of the Divine Conception of the Trinity
