DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

Do not fear that I untie the deepest knots of your consciousness, rejoice because the end of your inner captivity is near.

Nothing will be able to oppose the liberation and redemption of your being. If I am here, and I am your Mother, you will live, above all, what God has thought of, with so much love.

If I can untie the knots of your consciousness, your being will find peace, you will come to see the main reason for being in Jesus and Jesus being in you.

Do not submit to yourself anymore. When the greatest pain or affliction emerges from your consciousness, it is a sign that a new step will be taken. Do not think to recede or stop, you are a part of a redemptive project thought of by Christ for the liberation and salvation of souls.

Believe, above yourself, that each stage is part of a purpose and that each learning is the possibility of taking great steps in love and patience.

Sustain yourself in Me and I will hold you in My arms; and everything that is bad will pass, because the love that can spring from you will dissolve the mirages, and the path of life will be illuminated by receiving the Grace of liberation from the knots of consciousness.

Strengthen yourself and walk, walk by My side. A good and sweet Mother will never abandon her children because the maternal purpose is that you one day be a part of the Kingdom of My Immaculate Heart. Trust.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
