DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Just as your inner worlds, your Heavenly Mother prepares Herself on this day, as it was more than two thousand years ago, to enter the sacred spirit of the Passion of the Lord.

In this way, My children, your Heavenly Mother opens celestial doors so that the holy angels of the Universe can again infuse the sacred codes of the Passion of Christ in all hearts, open to recognize, in their inner universe, that important Christic union.

For this reason, I will be sending the holy angels from Heaven so that they may submerge in the inner planes and may carry on the new sowing of the Christic codes in the souls that in these days, will revive the events of the Passion and Death of Christ.

Each devout heart that, in truth and in praying atunement, joins the Sacred Heart of Jesus will be receiving special divine impulses that will help the strengthening of their soul in the coming times, and above all, the strengthening of their faithfulness to the Lord.

It will be important to be in atunement and union to all that My Beloved Son will be realizing during the next days through His Heavenly Presence.

Keep your hearts open to the call, to the close union with Christ and with His Redemptive Purpose.

Thus humanity will be helped in this stage of great definitions.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
