**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SANTIAGO, CHILE,
TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Declaration of the Divine Love, continuation

Oh, beloved Chilean people, who has printed on your blue and red flag, the star that must be the symbol of a celestial motherland!

Oh, sacred mountains of the Andes, which keep in in their mineral heart the greatest treasures of the original history of this humanity!

Oh, My children from Chile, who reflect on your faces the legacy of the peoples of the past!

Lift your white flags of peace and that, upon the cry that the Universe will emit, your inner stars receive the sacred call of the redemption!

May the Vigilant of the Legacy wash their faces in the Fountain of My Grace, so that they may be healed of everything!

May the Guardians of the Treasures of the Universe receive the balm of My Peace to be able to be healed!

May the Commanders of other times be forgiven and receive the spiritual Absolution from the Son of God!

Children of this ancient sacred people! Peoples of the beginning and peoples of the end! Open your hearts to be liberated!

Throw from your hands the weapons of destruction! May each radiant Sun, which dwells in this people, be erected again to the Glory of God, so that everything may be restored, so that nothing is lost. So that, from the silence of the Andes, the Sacred Word of Our Redeemer and Savior Jesus Christ may be heard.

Follow your Mother of Heaven on the path that will lead you to the blessed motherland, because thus your people, wounded by the causes of yesterday, will be redeemed of everything.

Trust, children, in everything that I bring you!

Trust in the renewed hope and in the end of this national captivity!

I Am the Mother who moves the whole Universe so that Her smallest and needy children have an opportunity!

May the soldiers of the Stars gather today at the foot of the great Celestial Altar! And may the doors to the abyss of this people be closed now!

Because the inner Christ will emerge from your beings and thus you will be one with My Son, so that He, in His Celestial Glory, may be one with His beloved people!

I want the Star of My Brotherhood to now be the motto and the symbol of your people!

I want, from this country, beings redeemed by the Love of the Creator!

May the Commanders of once now raise their hearts to Heaven!

Because now, without helmets, weapons nor cloaks, you will be free to sit at the Redeeming Table of the Lord and thus commune of His Codes of Life.

May the fallen in the past, arise in this present!

May those who have not yet forgiven the errors of this homeland and of this people, forgive today, so that My Beloved Son, in His Divine Grace, may reunite you and, by means of His Word, make you commune of His Most Holy Spirit!

That today Chile can, as a people, take each other by the hand, to declare the long-awaited reconciliation and pronounce the so longed-for peace, erasing thus, from this Chilean history, the errors of yesterday!

Thus, your hearts will shine and together with Me you will be able to take the steps toward the reunion of love that will heal the greatest wounds.

Let no one else grieve his or her heart, for Christ, My Son, will put an end to this exile!

And all the soldiers and Commanders of the purple helmets will unite in Christ, to make of this nation, the concretion of the Divine Promise in the life of each being.

That today the swords be abandoned, and the meek heart of each Chilean be offered to the Creator, so that the Plan triumphs, beyond everything!

So be it.

I thank you for responding to My call!

Who blesses you,

Your Mother, Mary, Rose of Peace
