DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA DE JESÚS

I come to the world, in spirit and divinity, sent by God, to remove humanity from the ignorance and from the blindness that separate it from the Creator.

I was elected by the Lord because My mouth never wanted to pronounce any word to teach the humankind. I learned to teach in the silence through the example and the experience of the Higher Designs.

Child, if you want to be an instrument of the Creator and that He leads you wherever it is most needed, take care of being the Truth of God and not only of knowing it.

The human mind has already lived its cycles of development and now it must give way to something that humanity has not tried: the experience of what you already know.

Prefer to be an example in the silence and if, as it happened to Me, the Lord sends you to preach and to teach with words, never fail to fill your words with the truth of your experience.

If you want to make My Presence in the world worth it, live what I tell you.

Your Father and Friend of always,

The Most Chaste Saint Joseph
