DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Children,

To concretize the Work of God is not what is difficult; what is most difficult is to keep all united under the same purpose as the Work gradually develops and expands according to Divine Will.

But, while in the walking toward this purpose tests and challenges are undertaken, creatures have the duty to overcome them with love rather than with indifference.

For this reason, every test that comes is an opportunity for liberation and transcendence, in order to defeat the duality that exists within each being.

Each stage is an opportunity for maturity and growth, since in all things there is a why and a reason defined by God, as a Will for each one of the souls of this beloved planet.

In this sense, the Work of God is based on love and on the experience of each being, and each life story is related to God through the different manifestations of Divine Will.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
