DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

A special gala night

Dear sweet singers of My Heart,

Today is a special gala night because the Almighty and all of His angels will be attentive to the offerings that will be made during this musical encounter.

For this reason, My children, I come today not only to encourage you to keep singing and composing for the healing and upliftment of all of humanity, but also, in this special gala night, I invite you, through your hearts and most sincere devotion, that the spark of Christic Light may awaken and spring from all of you; an energy of Superior Love that urgently needs to be radiated to the world and, in consequence, to all of humanity.

May your souls, through your sacred offering for today's encounter, be ignited by the singing and upliftment so that all of the inner Christs on the planet may be able to reign and honor a process of change and transformation, in all of the human consciousness.

Beloved children, know that today's gala will also reach the spirit and consciousness of the families which, in these times, need immense spiritual aid, as they are the focus of division and wars among nations and peoples.

Before the advent of the Rebirth of Christ, My children, may all the families, beyond their condition, culture, people or religion, be able to receive today, through the musical encounter, the aid from the celestial spheres, which will descend to conceive peace and inner unity, so longed for by those who suffer the most.

I hope, dear children, that today your hearts and voices may flourish and show the essence of Christic Love, of that Love that is capable of giving everything for love, regardless of consequences or results.

In this gala night, may the Love of God be reborn, a Love that will be the preamble for the upcoming return of Christ to humanity.

I thank all of the choralists, instrument players and collaborators who, in this year, made the awakening of healing and spiritual upliftment of humanity possible.

United to the Celestial Father, kindred in Christic Love, we make vows for the Plan of God to be fulfilled in humanity next year.

Who blesses you,

Your Mother Mary, Rose of Peace
